Dear Dad-eye,
 I will always
 remember you the way
 you are because it would
 be impossible to forget a girl
 like you. I think you are one
 of the sweetest girls in this school or
 any other school. I do you remember
 the night of the hot supper, well I will
 never forget it. I really had a good time.
 I will always remember you as "Mrs. Saw" the
 Dean's wife. You know Joe wouldn't make a
 bad husband.

Best of luck,
 Jimmy

Dear Dad-eye,
 I don't think I shall ever forget you
 and the good times we have had to-
 gether. You are one of the sweetest
 girls I have ever known. I hope
 you won't forget me. Lots of
 luck.

Love,
 Lewis

Dear B-B Brain,
 I'll never
 forget how dumb
 you were & probably
 will be in several yrs.
 You really are sweet
 & a wonderful person
 to know.
 Lots of luck,
 Filene

Dear Theresa,
 I have truly enjoyed
 being in school with you.
 We have had to lose you
 next year. We had fun
 on our week-end trips
 to Memphis didn't we!
 Love ya always,
 Carol Ann

Dear Dad-eye,
 I will always
 remember you the way
 you are because it would
 be impossible to forget a girl
 like you. I think you are one
 of the sweetest girls in this school or
 any other school. I do you remember
 the night of the hot supper, well I will
 never forget it. I really had a good time.
 I will always remember you as "Mrs. Saw" the
 Dean's wife. You know Joe wouldn't make a
 bad husband.

Dear "Bad-eye",
I don't feel I
can ever put in words
how I feel about you. You
have been a real friend for
four years. I feel like I
have known you all my life. I
don't know of any girl in this school
who can hold a candle to you. It is going
to be a lucky fellow who gets you. Mrs. Kaver.
You make a wonderful "best".
Love you,
"Crip"
(D. H.)

Dear "Bad-eye",
and don't think I will
ever forget our chemistry
I have enjoyed knowing
you very much. I like
to stop telling you
about my mother and not catching in
together. Don't let your
mother go plumb crazy
again. Love,
E. D.

"Dear Bad-eye"
I don't think I shall forget
the fun we had those days in chemistry or
lots of luck in the future.
Love ya,
Gloyd Stanner

Dear "Shirley"
I haven't known you well but
for one year but it has been a year
of fun & kidding. I have heard many
boys say that you are the sweetest
most innocent girl in this school
and that you are also. I will
always remember you and hope
it will be the same with
you. All my love
"Butch"
to Shirley

Dear Dad & Mom,
Never forget all
the swell times we have
had together. If ever you
want it to snow just let me
know I always seem to bring it to
you. Well, even in the play you are old
man. I still pay I have a husband. ha
Love
Dorrie

"Roseo,"
We have had some
wonderful times together!
I hope that they will
not end by the time
we are very old maids.
Maybe we can get together
and talk about all our
married friends. HA! HA!
I hope that we will
always be the very best
of friends. Your wife
a grand cheerleader and
you are a very pretty
girl. Remember me always,
Jane

Theresa, you have been a good
friend & neighbor. Although
we have had crosswords &
still love ya. Maybe someday
you will catch your man.
To Ben you do. Please let me
come to the wedding.
Love,
Pat

Theresa, we have really had lots of fun
double dating and everything. I hope
we will date a lot more together &
act cozy as we always do. I think
we can cook pretty good. Don't you?
At least you! I will always remember
you as a good friend & even though
you are leaving us this year, don't
forget me. Call me every time you
get back from college. I know how you are
& let me know how you are
it. Love you!
"Alo"

RIPLEY 20—MILLINGTON 2

Ripley started the 1950 season by defeating Millington in a drenching rain. The backs received nice blocking and did fine running.

RIPLEY 20—HUMBOLDT 40

Ripley probably played the best game of the season against Humboldt, but they were outclassed by the Rams.

RIPLEY 34—COVINGTON 13

The Tigers won their first conference game, with touchdowns by Rose, Harry Brown, Owen, and Haynes. Wakefield kicked three extra points for Ripley.

RIPLEY 14—DYERSBURG 16

This much discussed game included a safety made by the Trojans as a result of a punt which rolled out of bounds on Ripley's four yard line.

RIPLEY 6—UNION CITY 0

Ripley scored its only touchdown on a long pass from Johnny Rose to Billy Martin. Union City threatened in the last quarter, but the Tigers held them.

RIPLEY 0—TRENTON 13

In this tough game of penalties, the Tigers lost to a well organized Peabody High team.

Bobby Walker, Tackle

Gordon Wakefield, End

Edric Owen, Back

RIPLEY 20—SOMERVILLE 20

Ripley played a fine game by coming from behind and making two touchdowns in the last quarter to tie Somerville.

Buddy Haynes, Back

RIPLEY 15—BROWNSVILLE 44

In this fast game the Tigers were outplayed in every quarter by Tomcats.

RIPLEY 27—MILAN 7

Both teams played a good game, but Ripley outmaneuvered Milan.

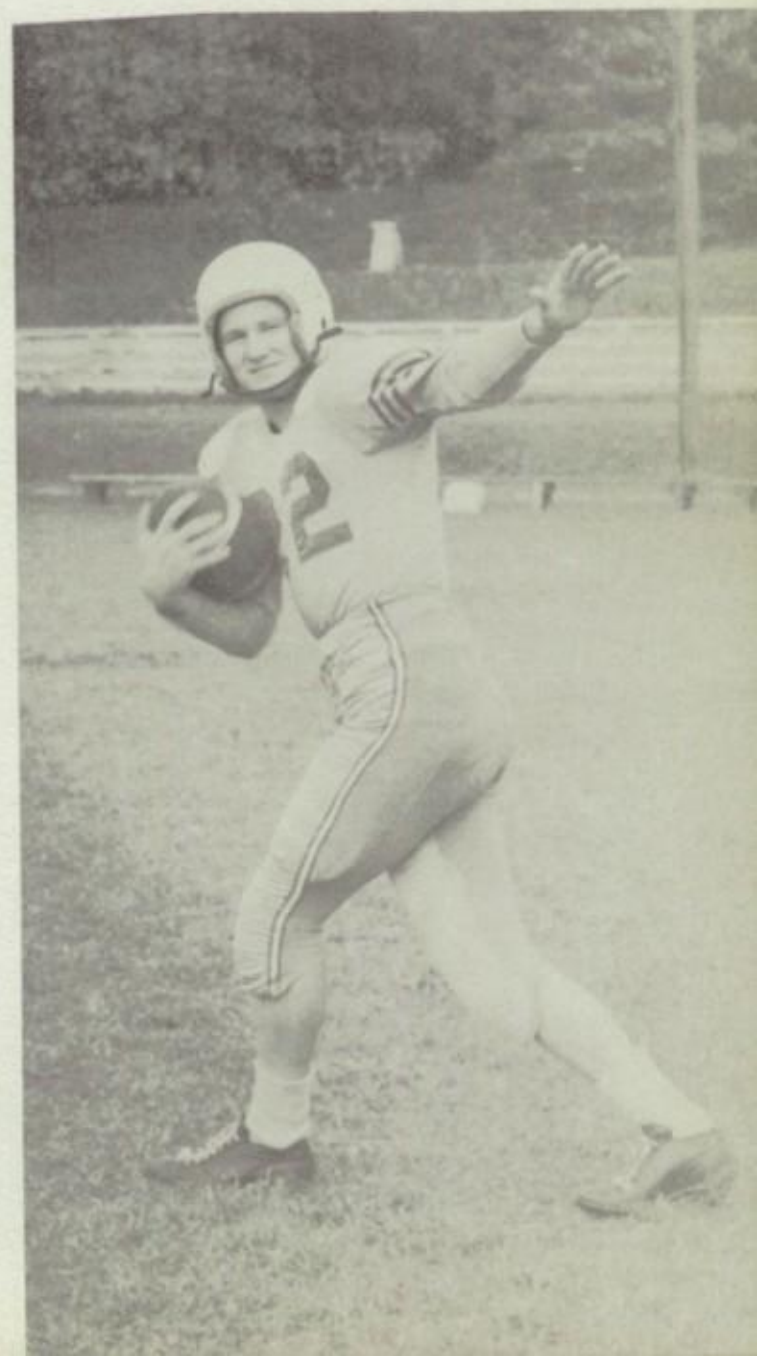

RIPLEY 13—HALLS 24

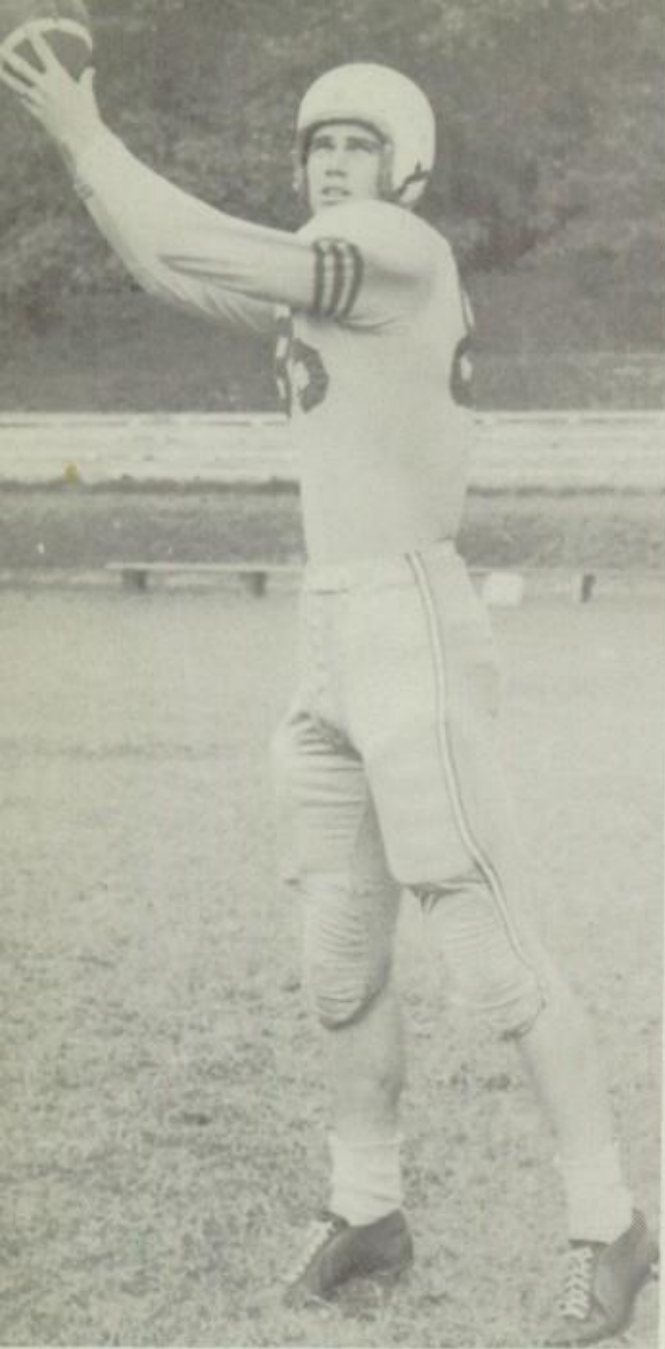

Ripley probably played their worst game of the season as underdog Halls ran over them.

THE TINY BOWL GAME

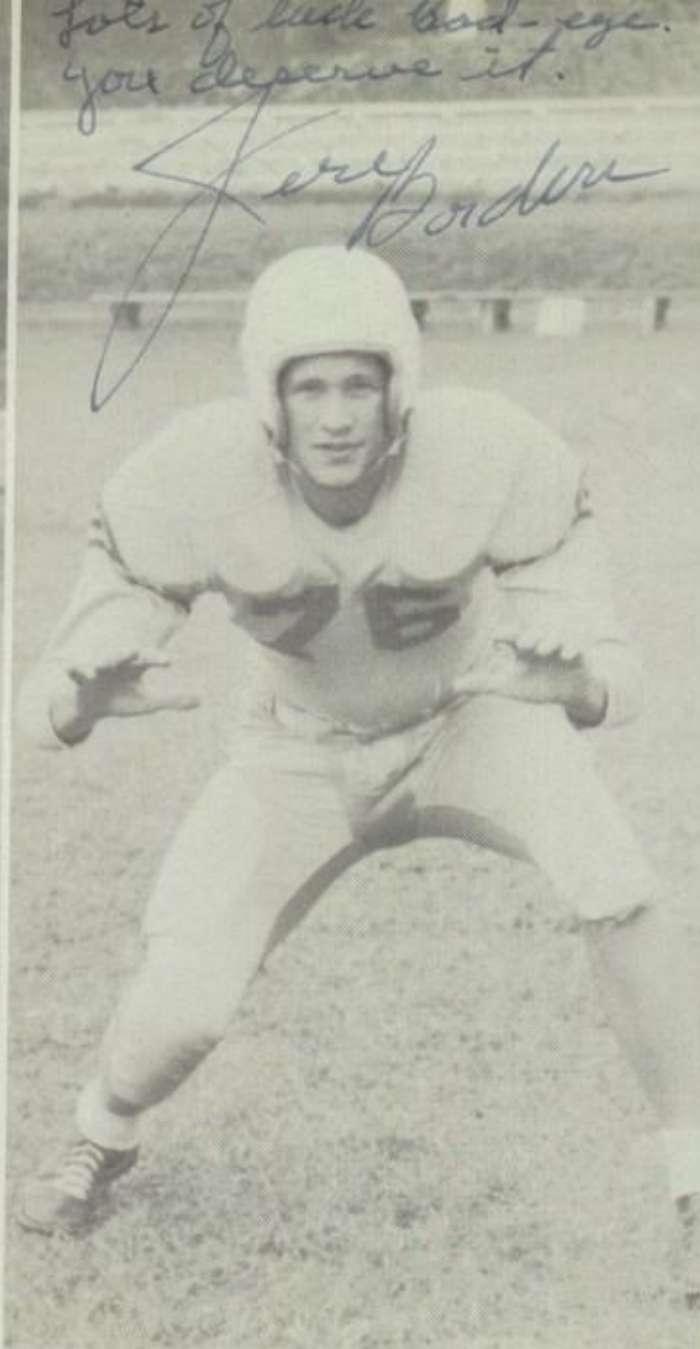

HUNTINGTON 18—MUNFORD 13

In the third annual Tiny Bowl classic, the Huntington Mustangs scored a touchdown on a long pass in the last 58 seconds of the game to win over the gallant Munford Black Cats on Irvin Knee field, November 22. At the outset, the stouthearted Black Cats took control of the contest with the highly favored Mustangs, who could not muster a first down the first period. The courageous Cats, in control during most of the game, finally yielded to vastly superior reserve power.

Theresa,

These past years with you
will remain a treasured
memory with me. Cheerleading
with you was a great joy -
Remember me always as your
friend - but try to forget my
bad personality and the
quarrels we've had. Let's
always be friends. Luck
to you in the future and
may all your dreams
come true -

Always a friend,

Billie Joy

"Jennie"

Don't "P.D.P.D. Cod-eyes",
always remember the good you
are here you too will see how
we have won while they were trying to
and for victory. I will always remember
you as one of my best friends.
"Just be yourself you continue
through life. Goodbye
never"

Theresa,
It has been fun to
have known you. I will always
remember you by your cute
laugh and your funny way of
in places like Soc. class. I hope
you all the luck, happiness and
success that you are entitled to.
Maithelene

Dear Gosses
I have enjoyed
being your friend
and doing things with
you - every since you came
to Ripley. We have really done
a lot of silly things but I enjoyed
every minute of it. R. H. S. is going to
be a different place with out all your seniors.
cheerleading season is going to seem funny without
your demanding that everybody at pep meetings
I know you'll have a grand time off at school. Don't forget
to be a mis. for a little while. Remember me and all
the wonderful times we've had.
Love and luck from,
Norma

March 31, 1951

Well, this is the year for me to depart from good ole R.H.S. and it sure does hurt. I believe I can say I had a real good time these four years. They each seem so different, why? - I don't know. I've done a lot of thinking and it worries me - I'm getting old and don't have a prospect for a husband or even know my talent or what type job I'm suited for.

My freshman year I didn't know too much. I guess I was just green. I went with Herman for several months. When we broke up it hurt me greatly. More than I have ever been hurt or more than I'm every going to let myself be hurt again. I learned several things this year.

My sophomore year - I grieved a lot over Herman. Had fun though. Got elected cheerleader - I sure was surprised. I got nominated, but that didn't thrill me much because I had no idea I might be elected. Cheering was fun and my knowledge is still increasing. By the end of the year I'm completely over Herman. Had a crush on Johnny Holmes.

I studied pretty hard these two years. 1st & 2nd junior year had fun - got "Hoffers" started. Went to lot of parties. Had more dates than usual. Liked a lot of boys, but kinda had my eye on George Brown. Really had fun at those wonderful bunking parties.

Senior year - we've had quite a few parties. Danced at Joe's & Maple Wood - really had fun. No special boy this year I just love them all. I've been writing to several - Billy Poston, James Ryan, Sam Williams, and Hugh Heforth from Afford. Sure have skipped a lot of study halls - but it sure has been fun.

I haven't studied much these last two years but have made better grades. So far I have made the Honor Roll twice. (over)

I can never put in words
my thoughts, ideas, and the
wonderful fun I had. I just
hope & pray I will always
remember my wonderful friends
I've made through high school.
I have come closer to some of
my good friends mainly
"Duffers" but boys too. I also
feel like I have a lot of small
friends the people ~~and~~ I speak
to and give ^(nick) names ^{to} the people
I learned through different
activities & classes. I feel like
I'm their friend anyway.
I have become use. to people
and I love them and life. I
just hope I can remember my
small friends as well as my
good ones. I love to meet new
people and do new things.
I feel out of place because
I'm alone, but I've ~~gotten~~
things out of life alone. I
wouldn't have otherwise. It
make me sad or unsatisfied
sometimes but other times I
enjoy it. I hope I find what
I was put here on earth
for as everyone has a
purpose and when I do fill
my job to the very best
of my ability. I've been years
I wonder if I ^{will} understand what
I'm saying and how I feel?
